Prof. Muhammad Yunus, Former Chief Adviser of Bangladesh

1. Our Mission

To empower underprivileged youths in developing countries to escape from poverty and become valued members of their communities through education.

2. About us

- Advised by Prof. Yunus, former Chief Adviser of Bangladesh, that education is the key to breaking the cycle of poverty in 2012.
- Founded in 2013 in a Japanese community in Sydney.
- Registered with NSW Fair Trading in 2013.
- Started to support students from Angel Home, a Japanese charity-run orphanage in Bangladesh, in 2015.
- Registered with ACNC (Australian Charities and Not-for-profits Commission) in 2016.
- Started to support students in Kenya in 2017.

3. Three Guiding Principles

1. Scholarships

Scholarships are the most effective way to provide access to higher education to underprivileged students in developing countries.

2. Minimum Overhead Expenses

Thanks to our dedicated volunteers and board members, we keep overhead expenses under 5% of revenue from our fundraising activities. Every dollar donated reaches the students.

3. Long-term Vision

We support our students for 3-4 years until they become fully qualified. In return, they will help less fortunate people through their working lives and make the world a much better place in the long term.

4. Our Partner in Japan
The International Angel Association

- Established in 1982 in Japan by Mrs Yuriko Kawamura, who wished to return the love and support given to her daughter, Naoko, born with cerebral palsy, to less fortunate people in developing countries.
- Their mission is to “Spread Love over the World”.

Mrs Yuriko Kawamura, the Founder

Mrs Mariko Higashimura, the President

5. Our Partner in Bangladesh
The International Angel Association, Bangladesh

- Established in 1986 in Dhaka, Bangladesh, to operate an orphanage, Angel Home. They now operate Angel Home, Yuriko Angel School and Health Care Centre in Gazipur.
- Mr Bari, the executive director, believes in the power of education.

Angel Home

Yuriko Angel School

Health Care Centre

Mr Azizul Bari

We’re lucky to have Mr Bari as our trusted partner in Bangladesh. He visited us in 2024 and 2025.

6. Our Partner in Kenya

Br. Joseph Khiyaniri, Head Clinician & Administrator of St. Camillus Health Centre, Ndundu, is our representative in Kenya.

7. WSO Scholarship Students

We award scholarships to 5 students raised at Angle Home in Bangladesh and 2 underprivileged students in Kenya.
